

The Malling Society aims to:

- Preserve the rural character of West Malling and its environs
- Preserve local buildings, and places of historic interest or artistic distinction
- Protect the surrounding countryside
- Eliminate and prevent bad design and neglect
- Encourage high standards of architecture and planning
- Stimulate public interest in the good appearance and community of West Malling

We constantly monitor and respond to planning applications and other significant events affecting the Malling area. We have meetings once a month to listen to a range of interesting speakers, and we arrange occasional visits and outings to local places of interest.

We are custodians of the Freda Barton Collection of photographs and arrange regular photographic exhibitions. We store and protect a range of documents and similar materials of local interest, and welcome further gifts and donations.

If you would like more details or would like to attend a meeting, please contact Barbara Earl (Chairperson and Admin Secretary) on 01732 847678 or email themallingsociety@gmail.com
